

**Pollination — absolute change (1992-2020)**

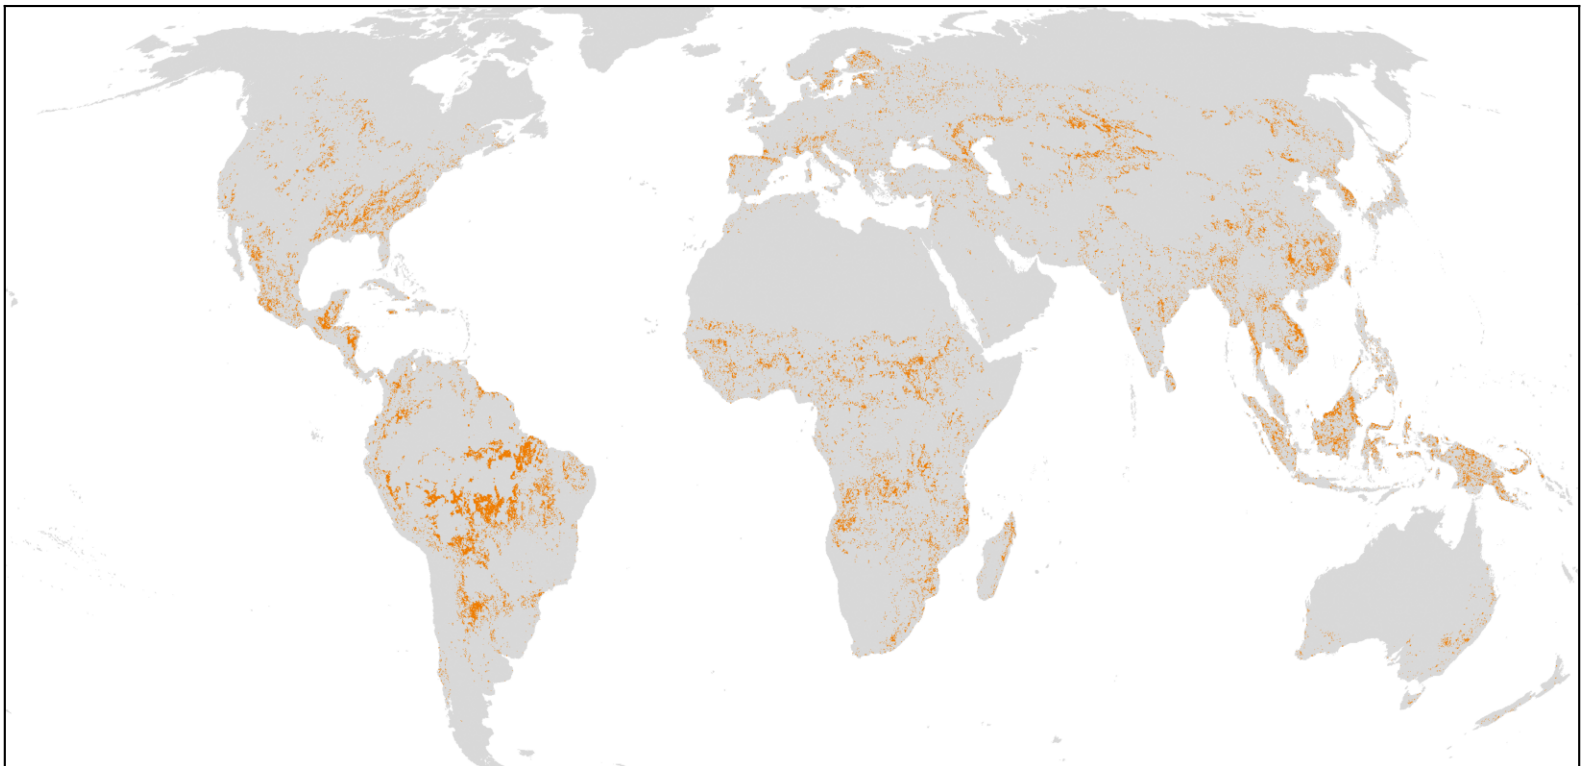

**Pollination — absolute hotspots (top 5% most severe decline)**

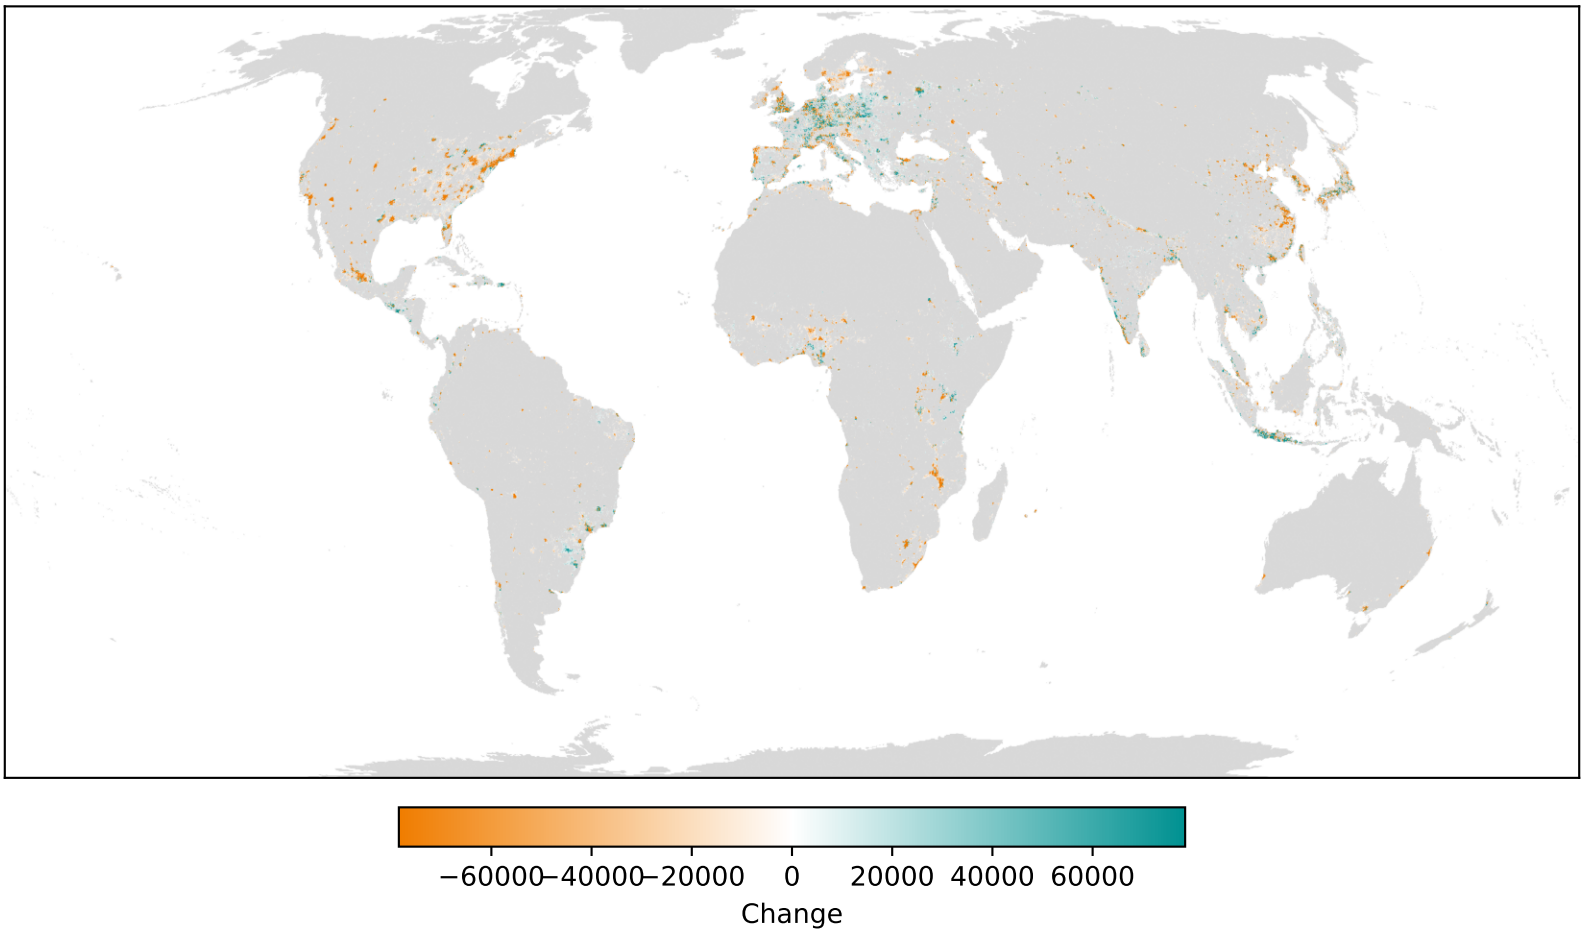

**Pollination — relative change (1992-2020)**

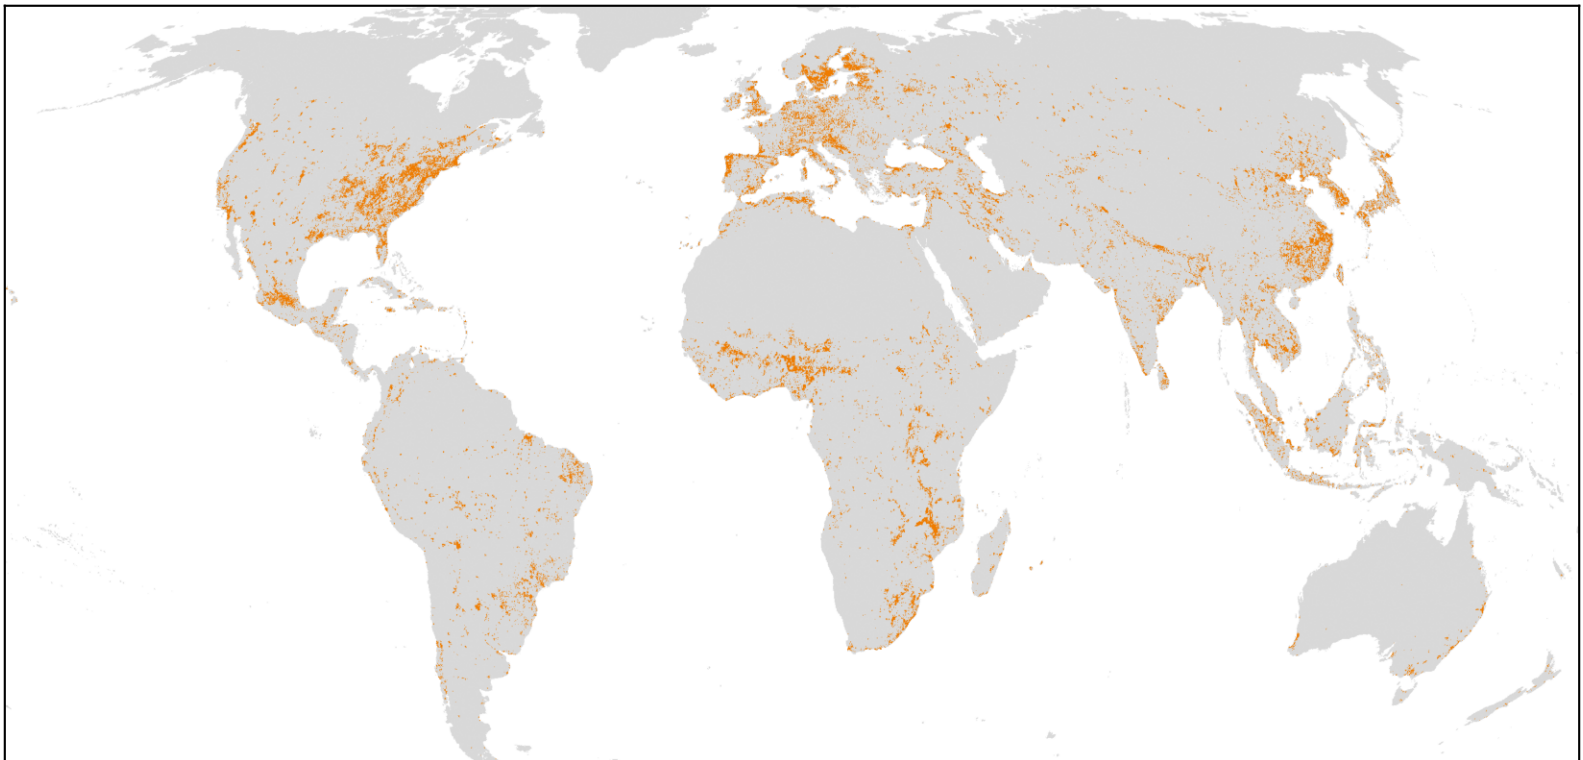

**Pollination — relative hotspots (top 5% most severe decline)**

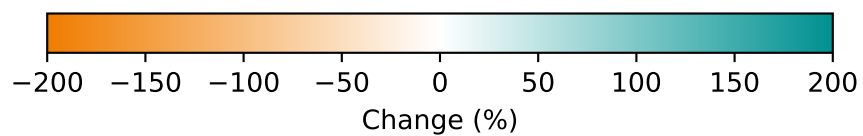

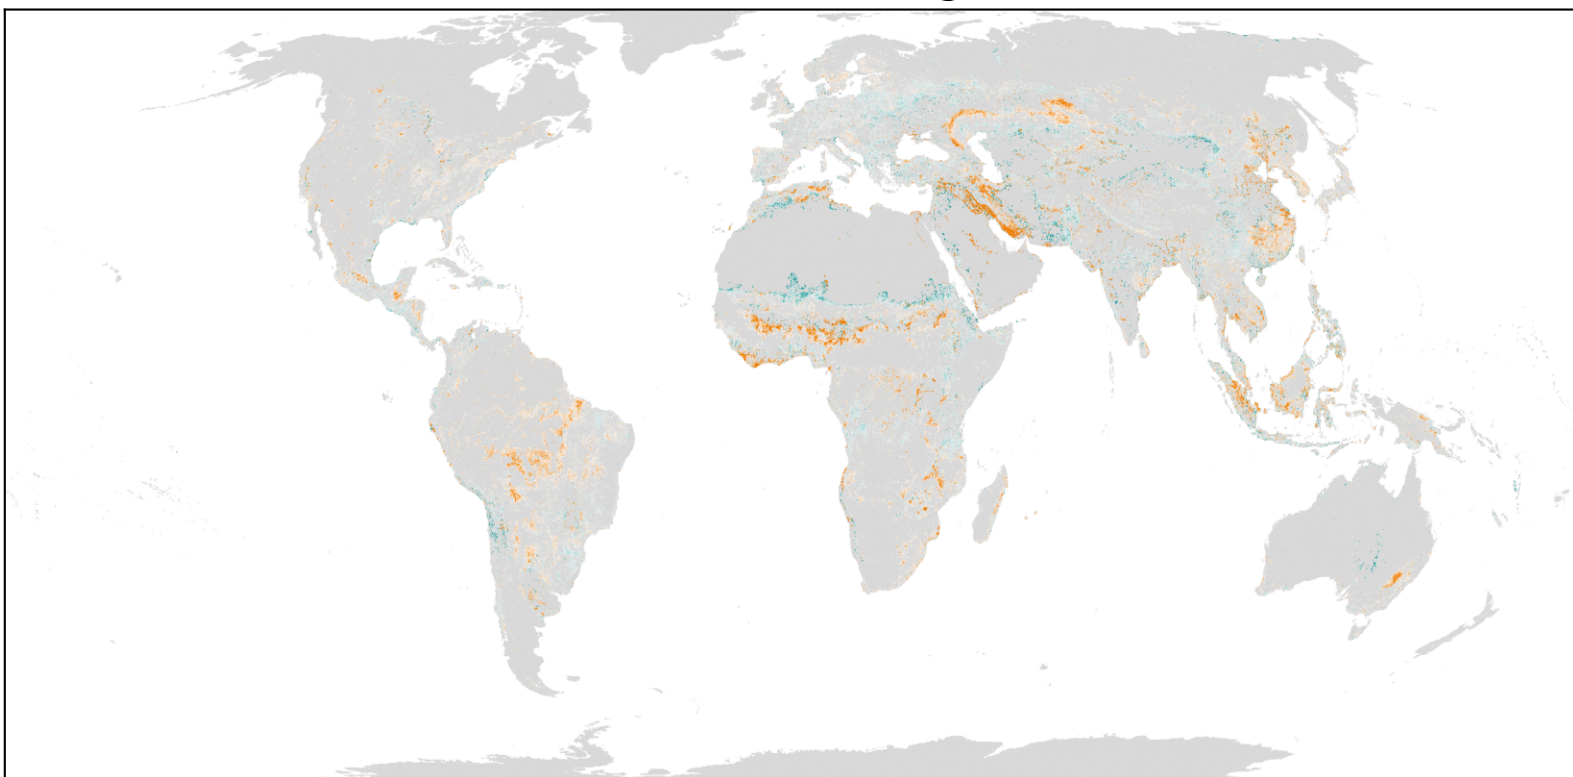

**Nature Access — absolute change (1992-2020)**

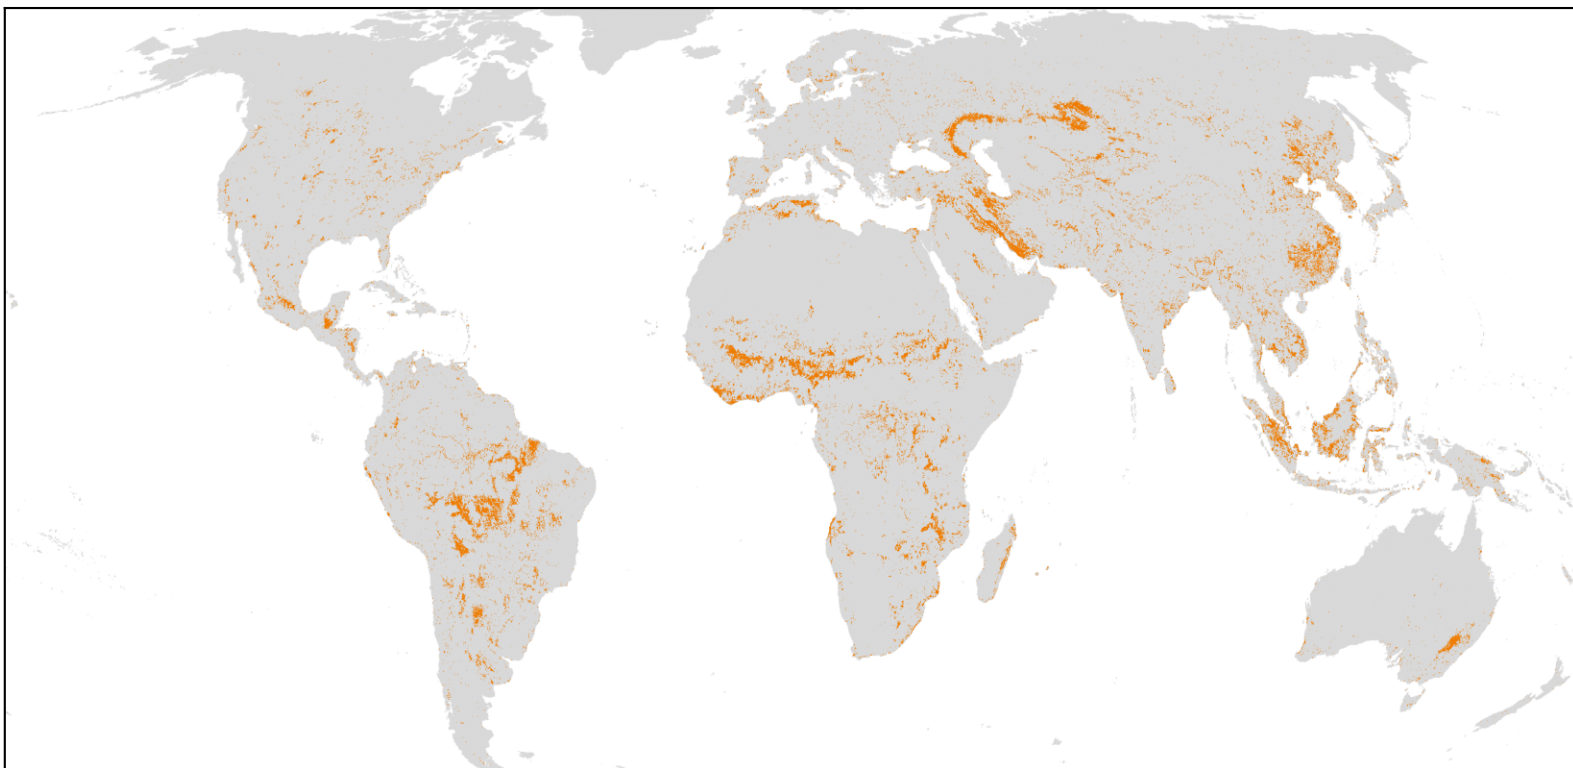

**Nature Access — absolute hotspots (top 5% most severe decline)**

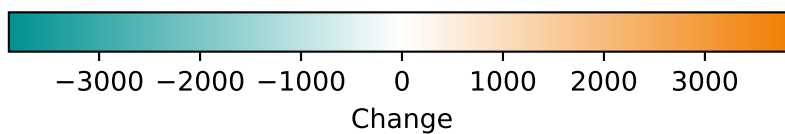

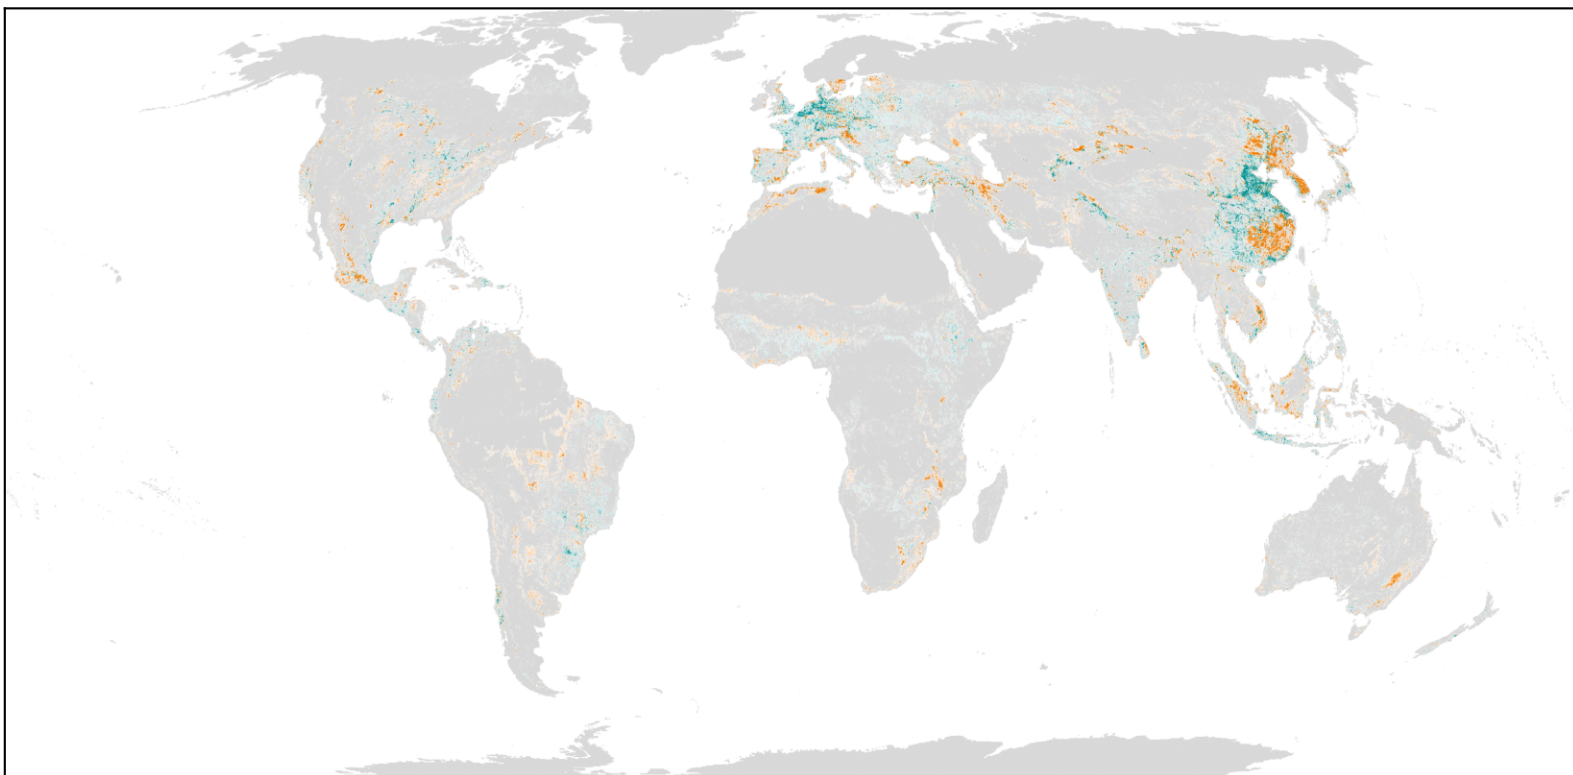

**Nature Access — relative change (1992-2020)**

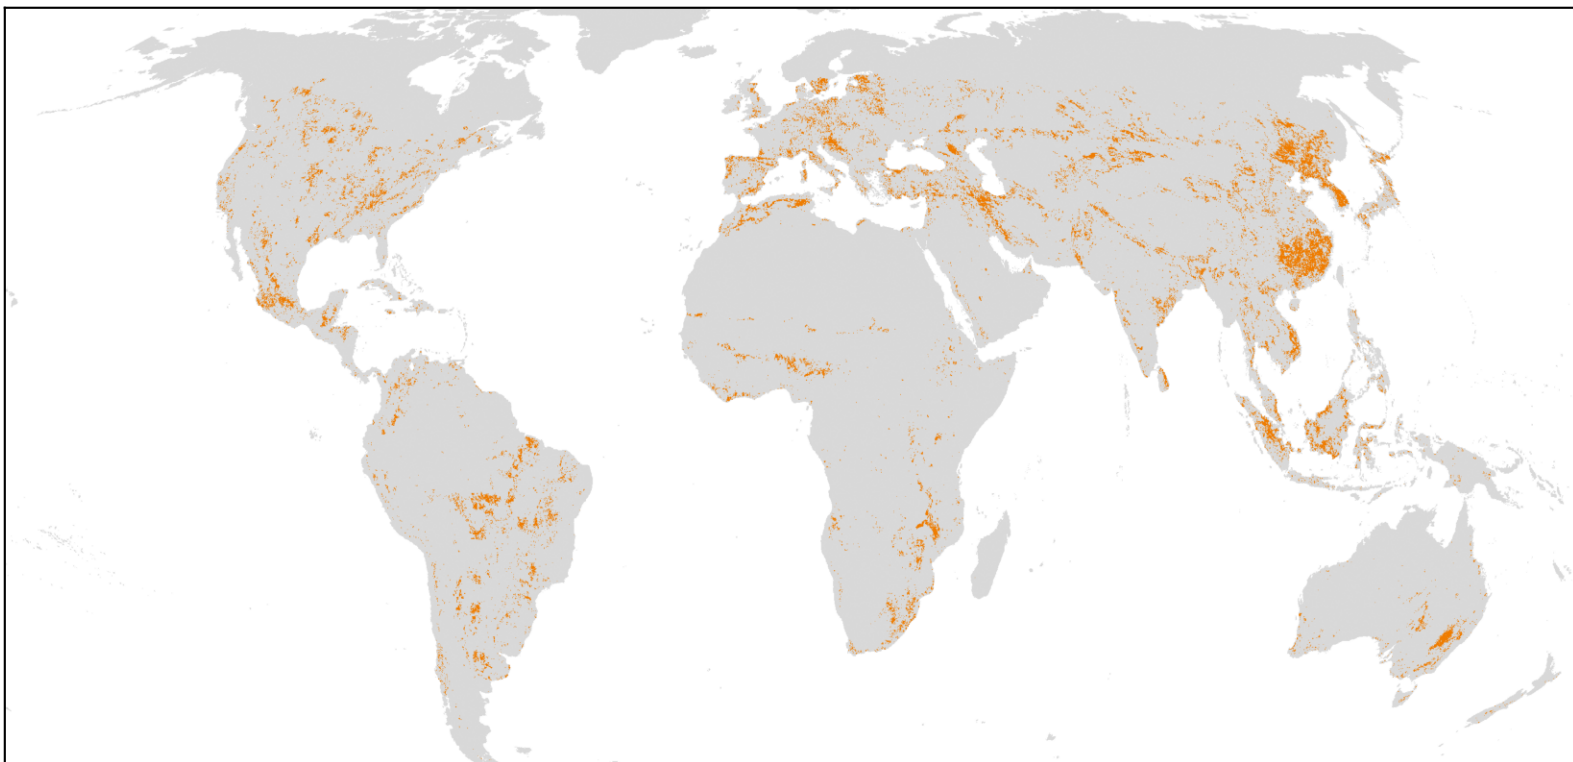

**Nature Access — relative hotspots (top 5% most severe decline)**

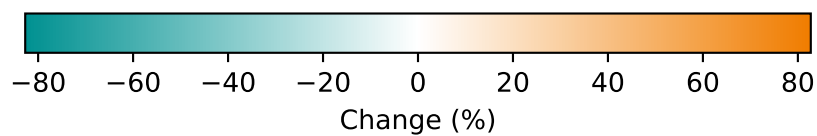

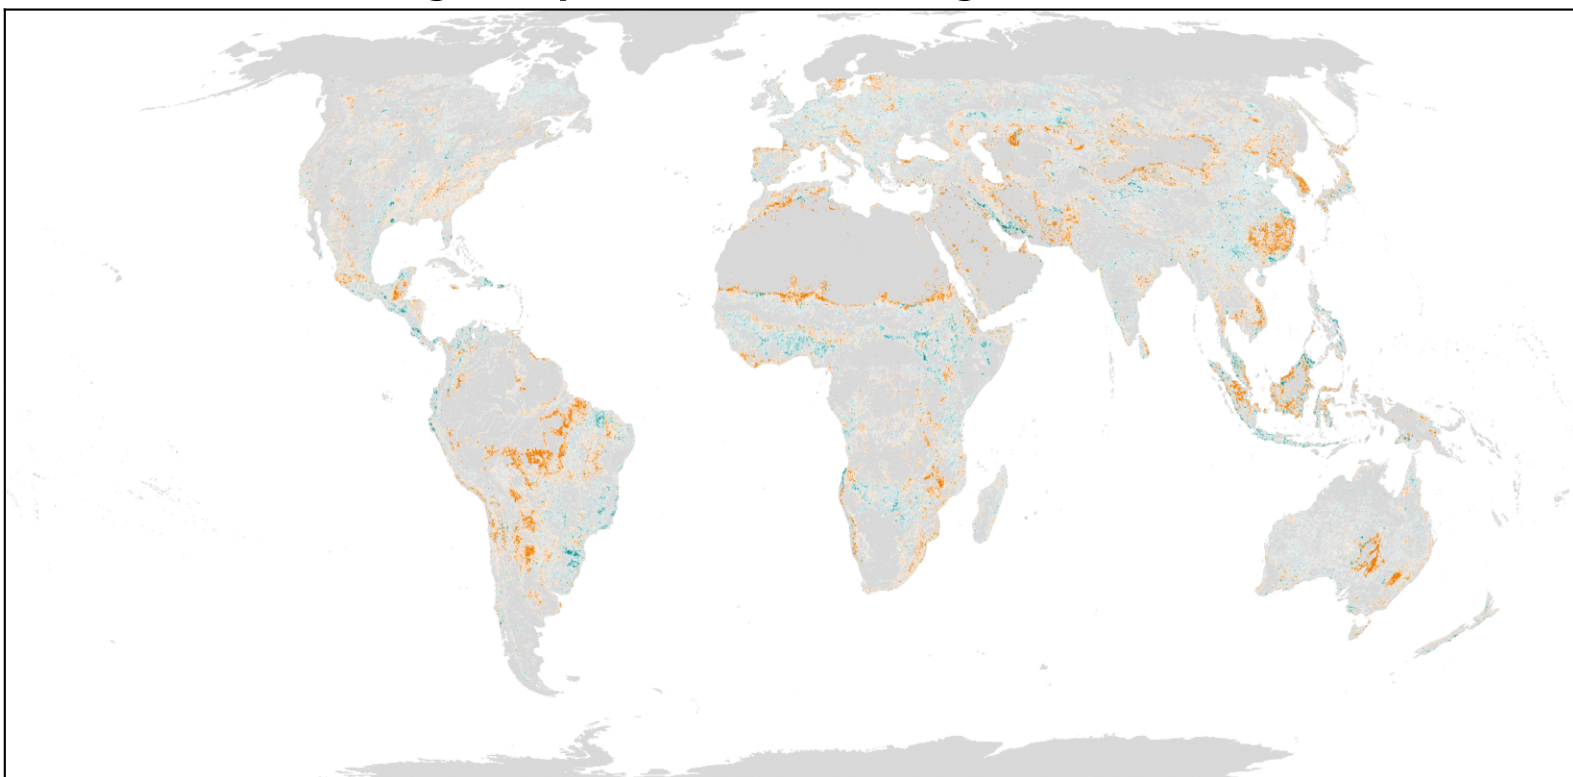

**Nitrogen Export — absolute change (1992-2020)**

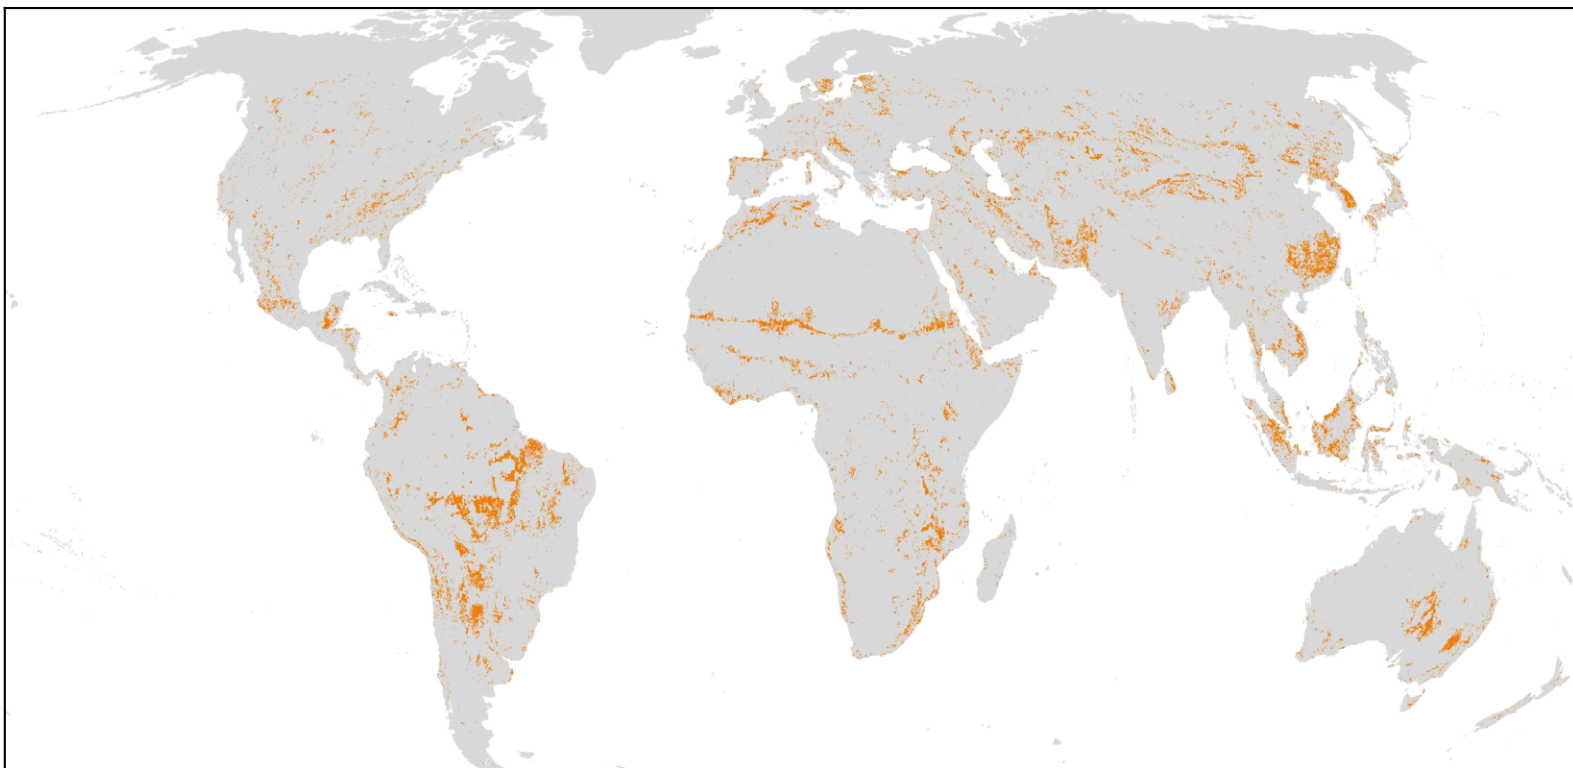

**Nitrogen Export — absolute hotspots (top 5% most severe decline)**

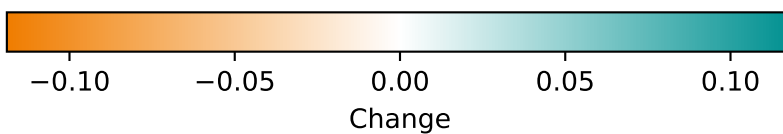

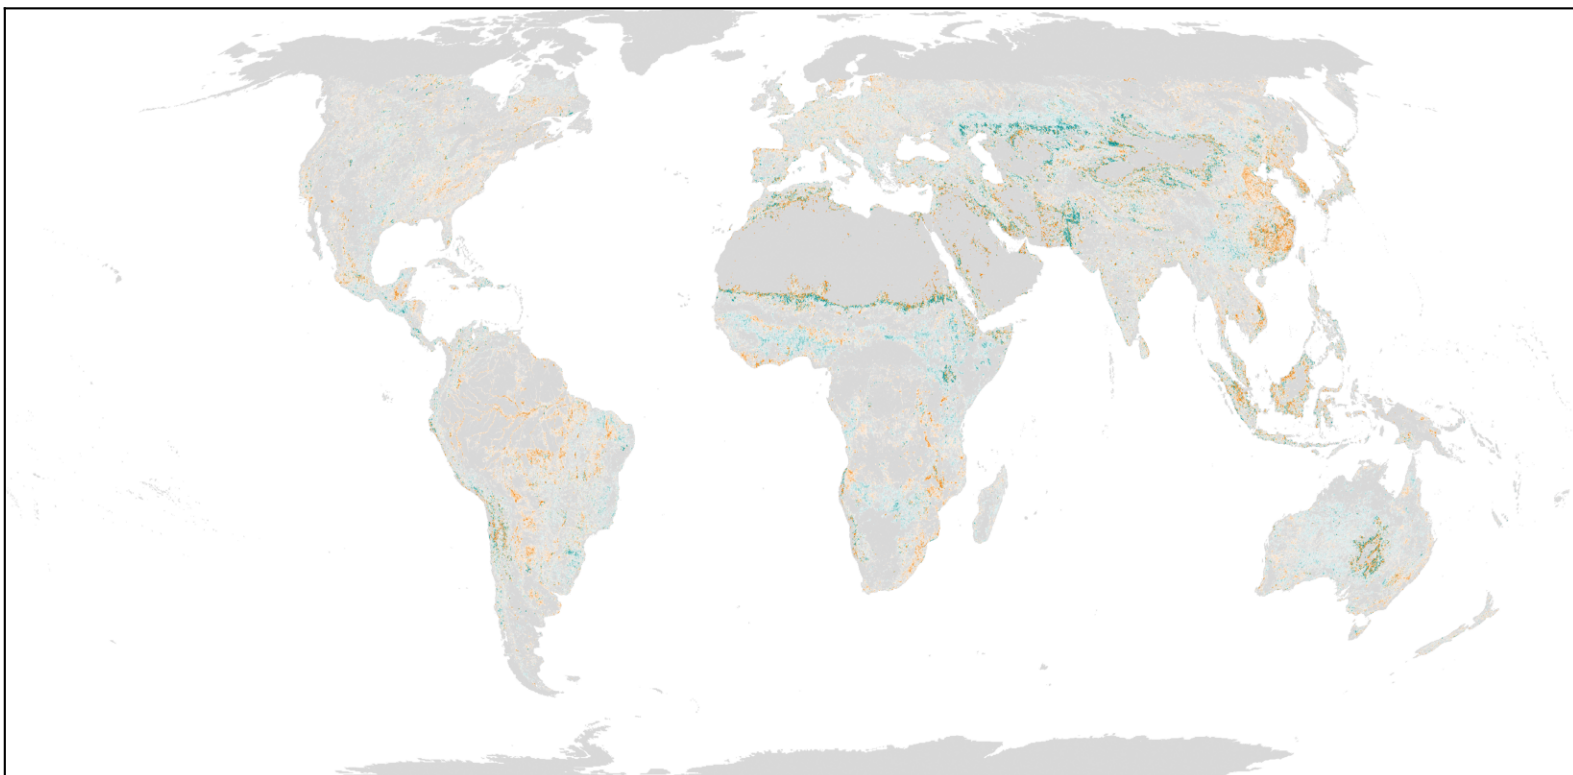

**Nitrogen Export — relative change (1992-2020)**

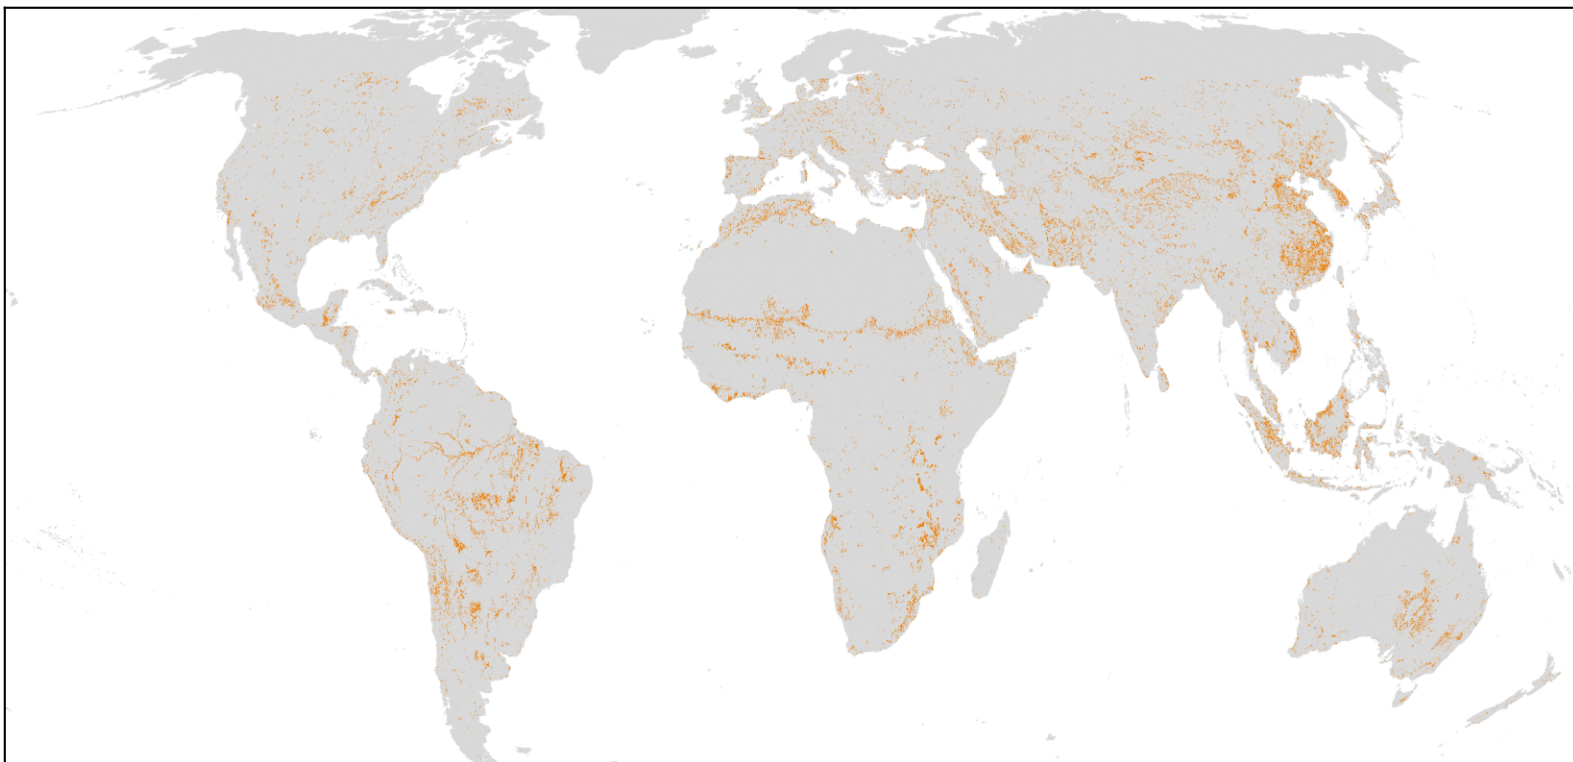

**Nitrogen Export — relative hotspots (top 5% most severe decline)**

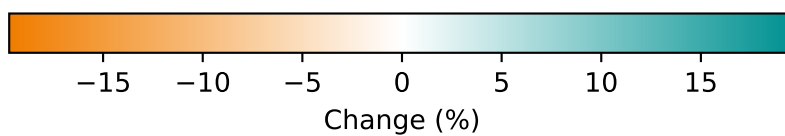

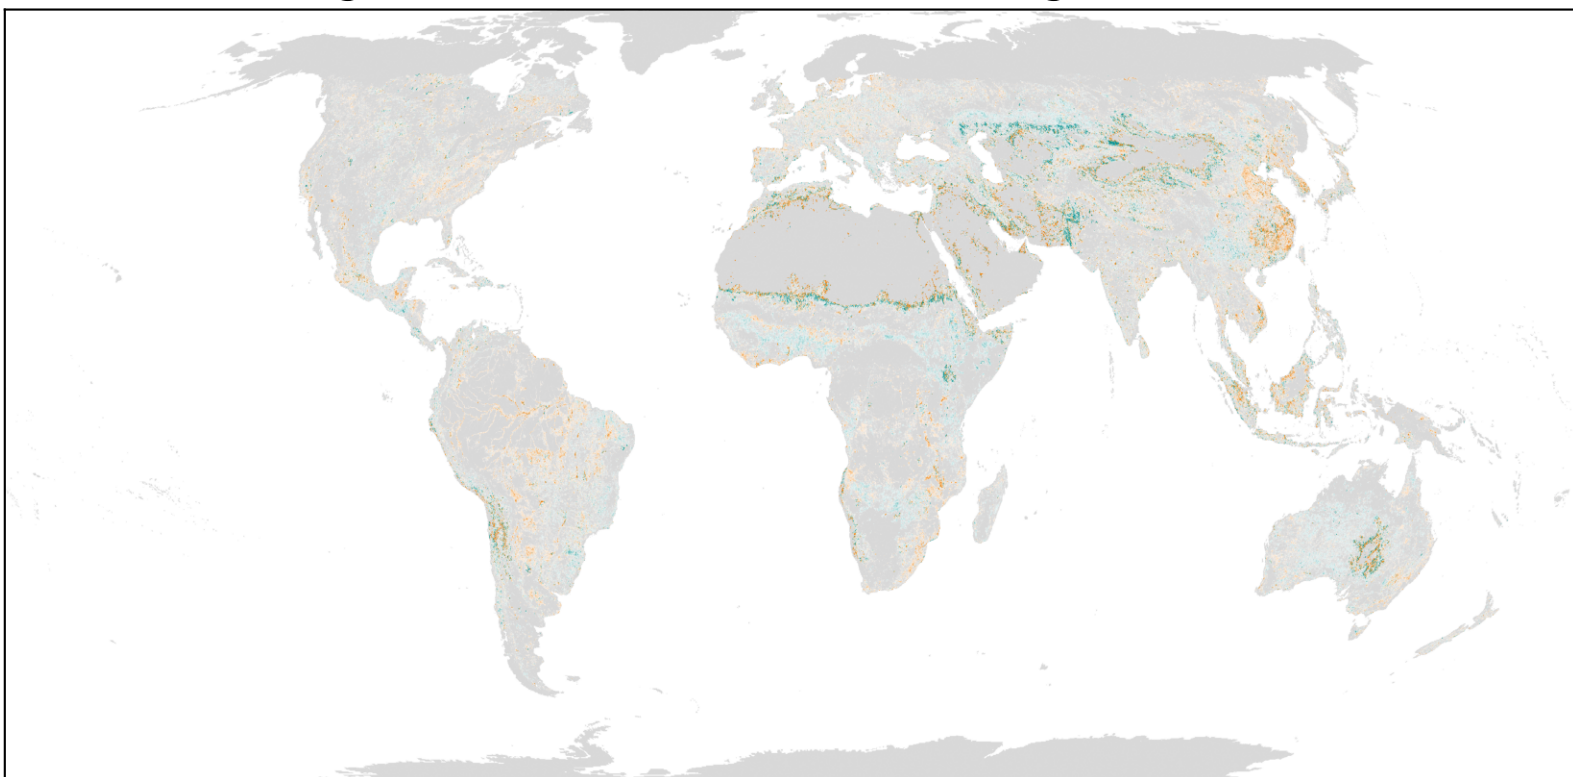

**Nitrogen Retention Ratio — absolute change (1992-2020)**

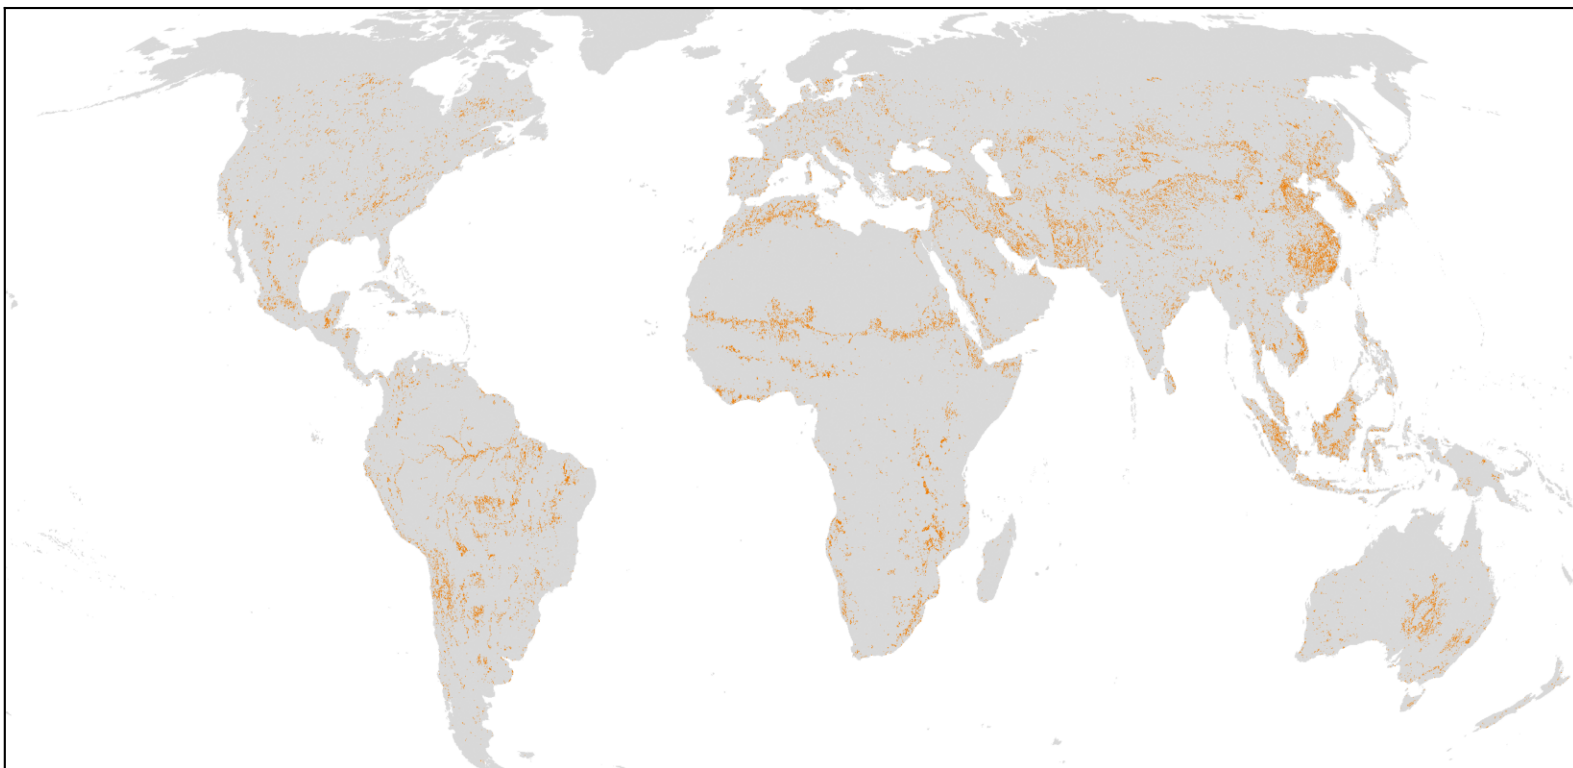

**Nitrogen Retention Ratio — absolute hotspots (top 5% most severe decline)**

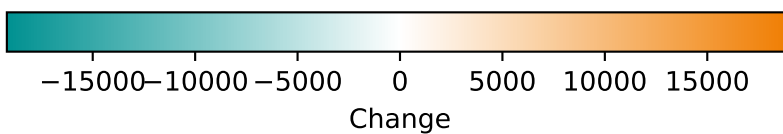

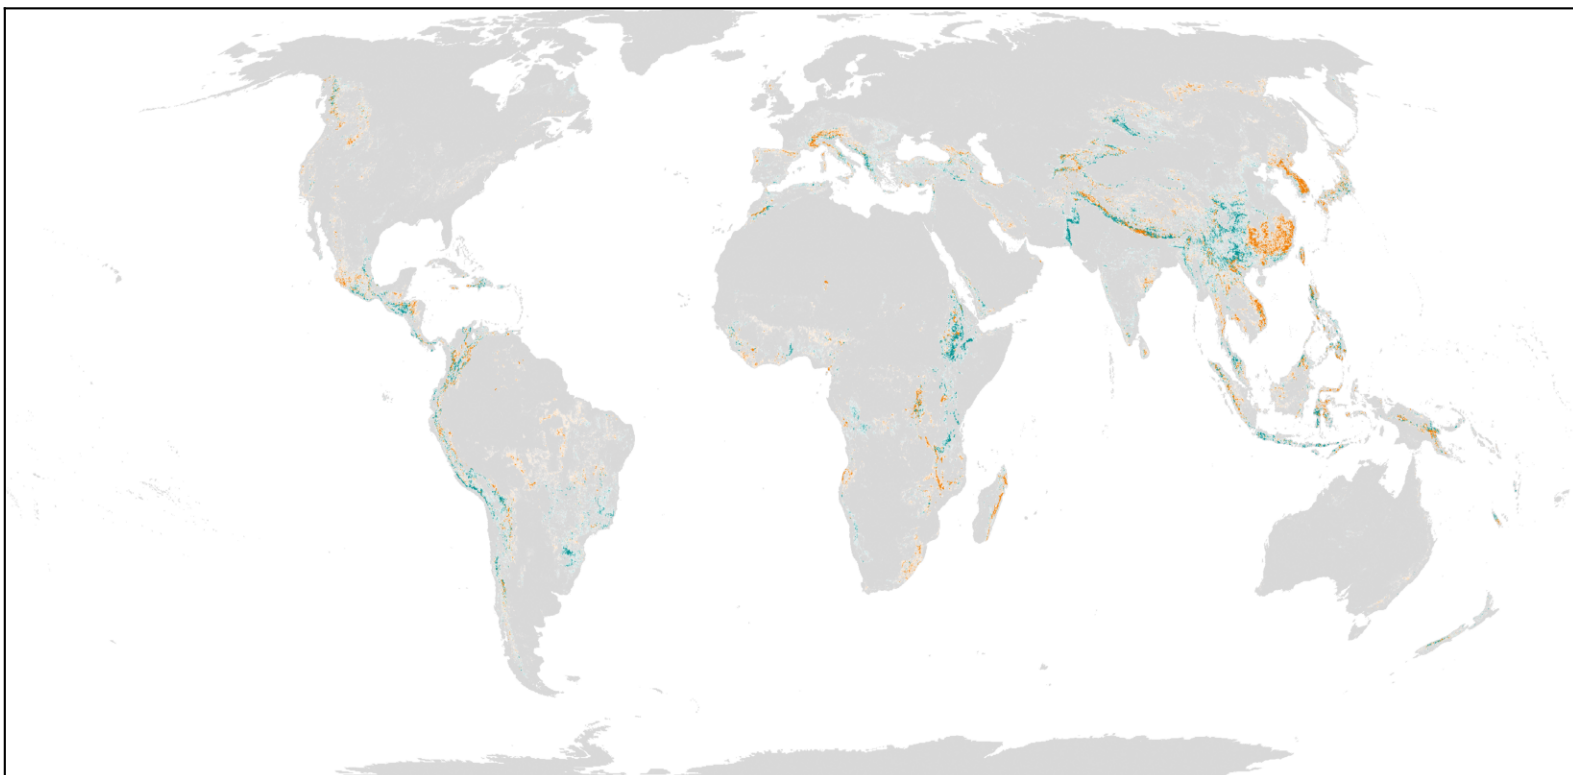

**Nitrogen Retention Ratio — relative change (1992-2020)**

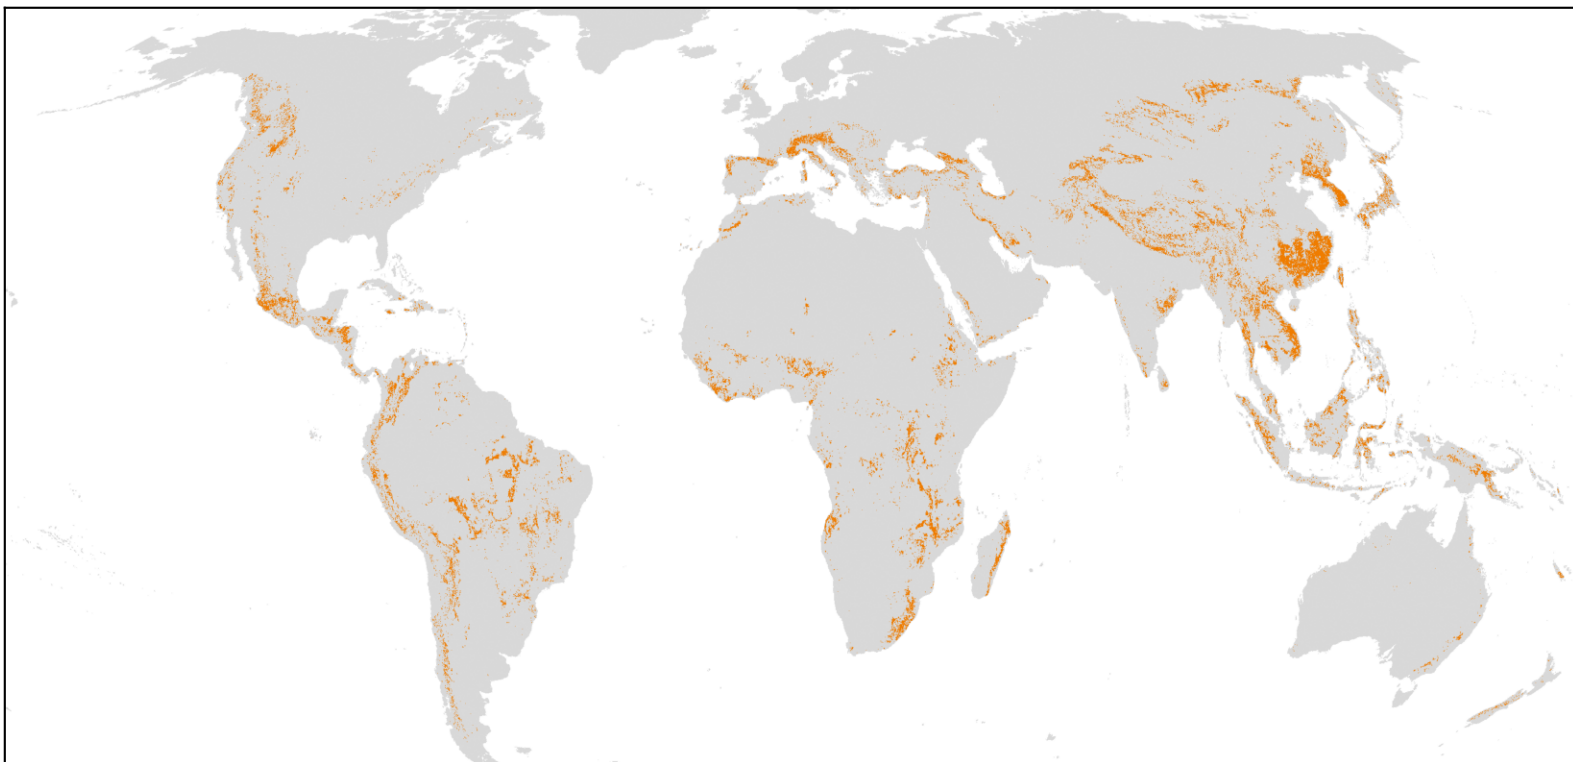

**Nitrogen Retention Ratio — relative hotspots (top 5% most severe decline)**

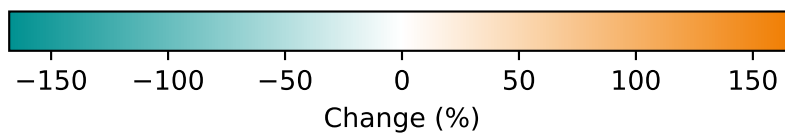

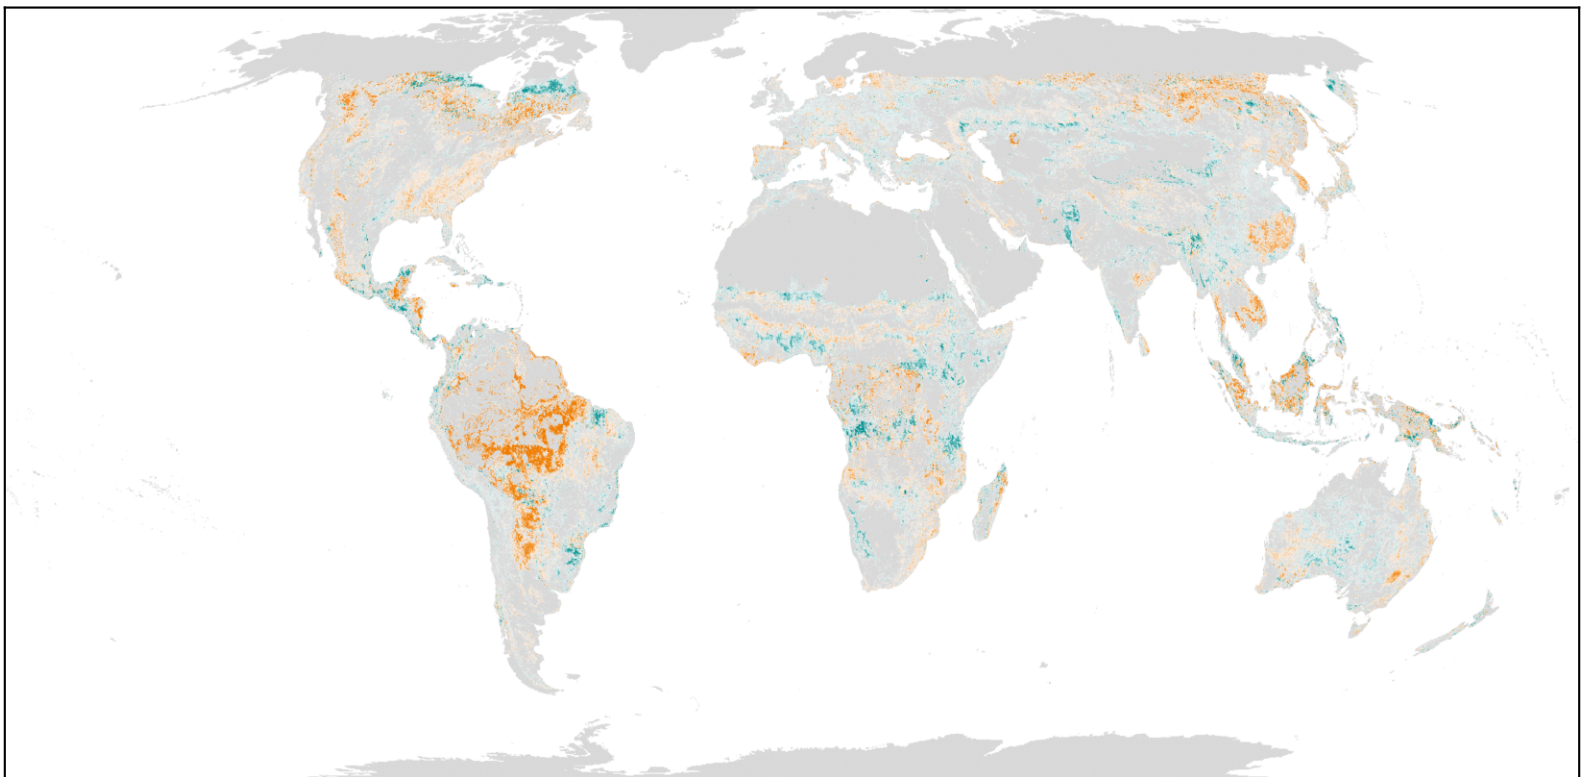

**Sediment Export — absolute change (1992-2020)**

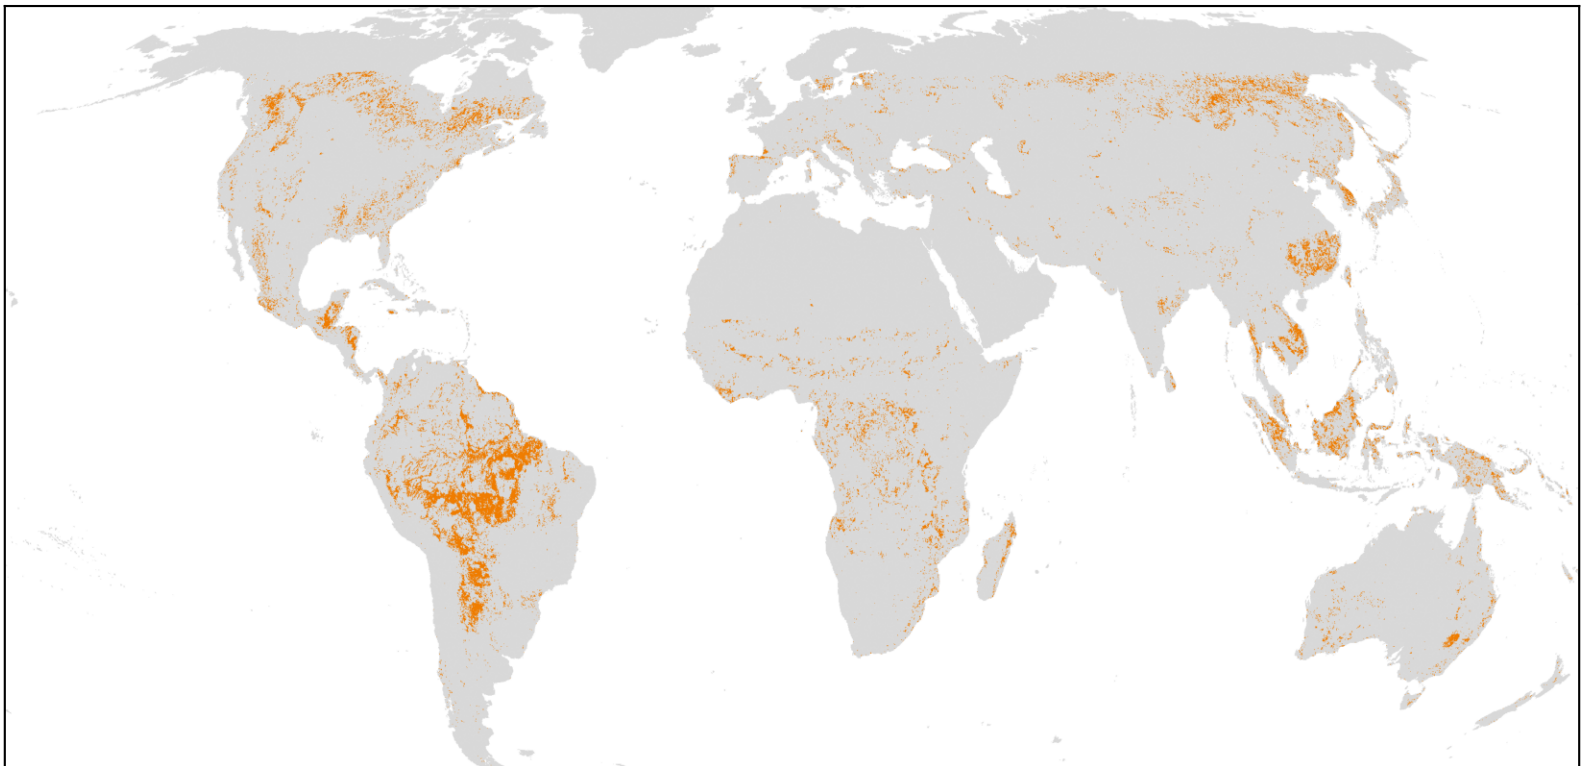

**Sediment Export — absolute hotspots (top 5% most severe decline)**

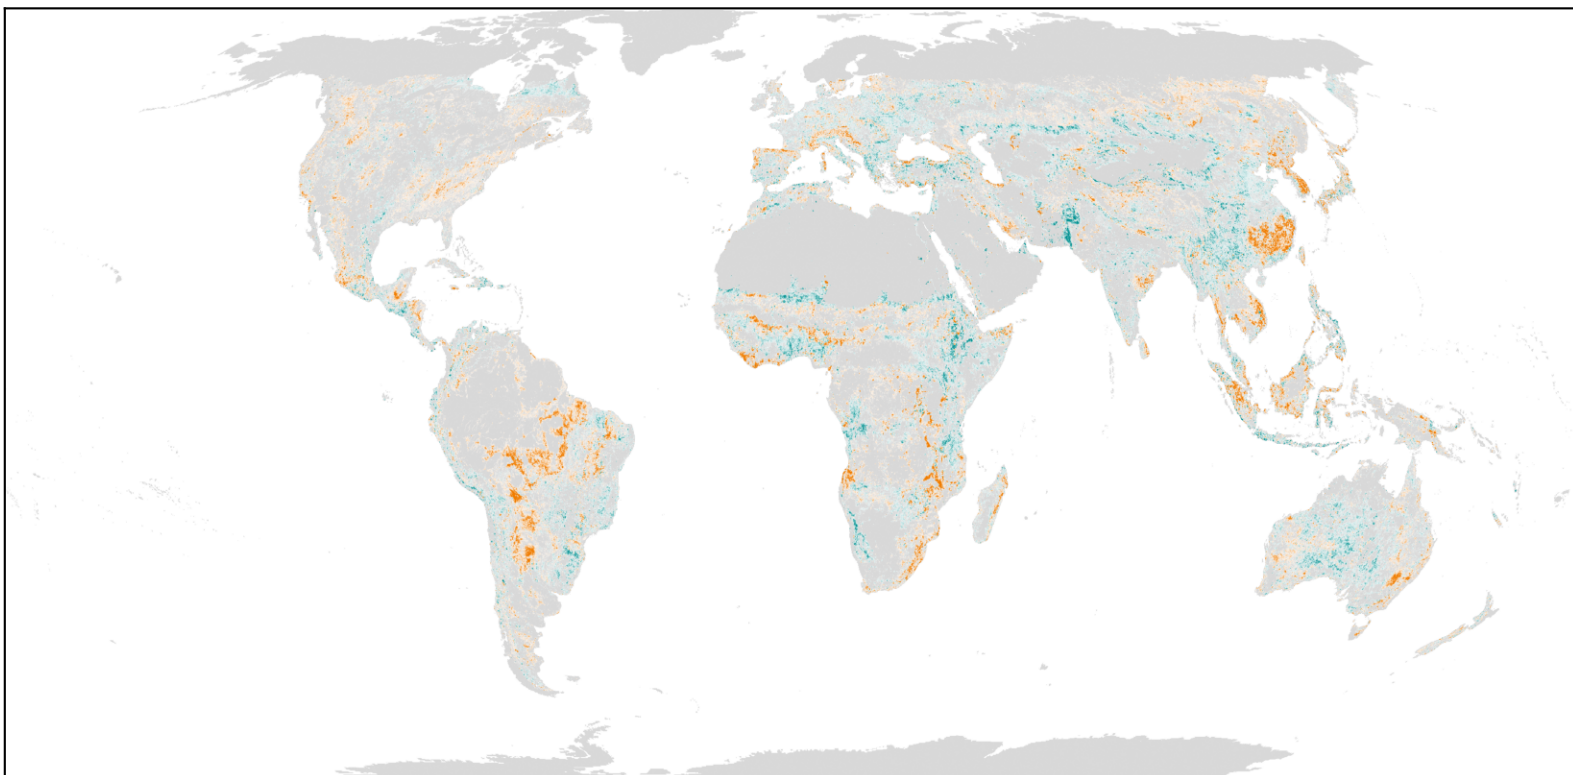

**Sediment Export — relative change (1992-2020)**

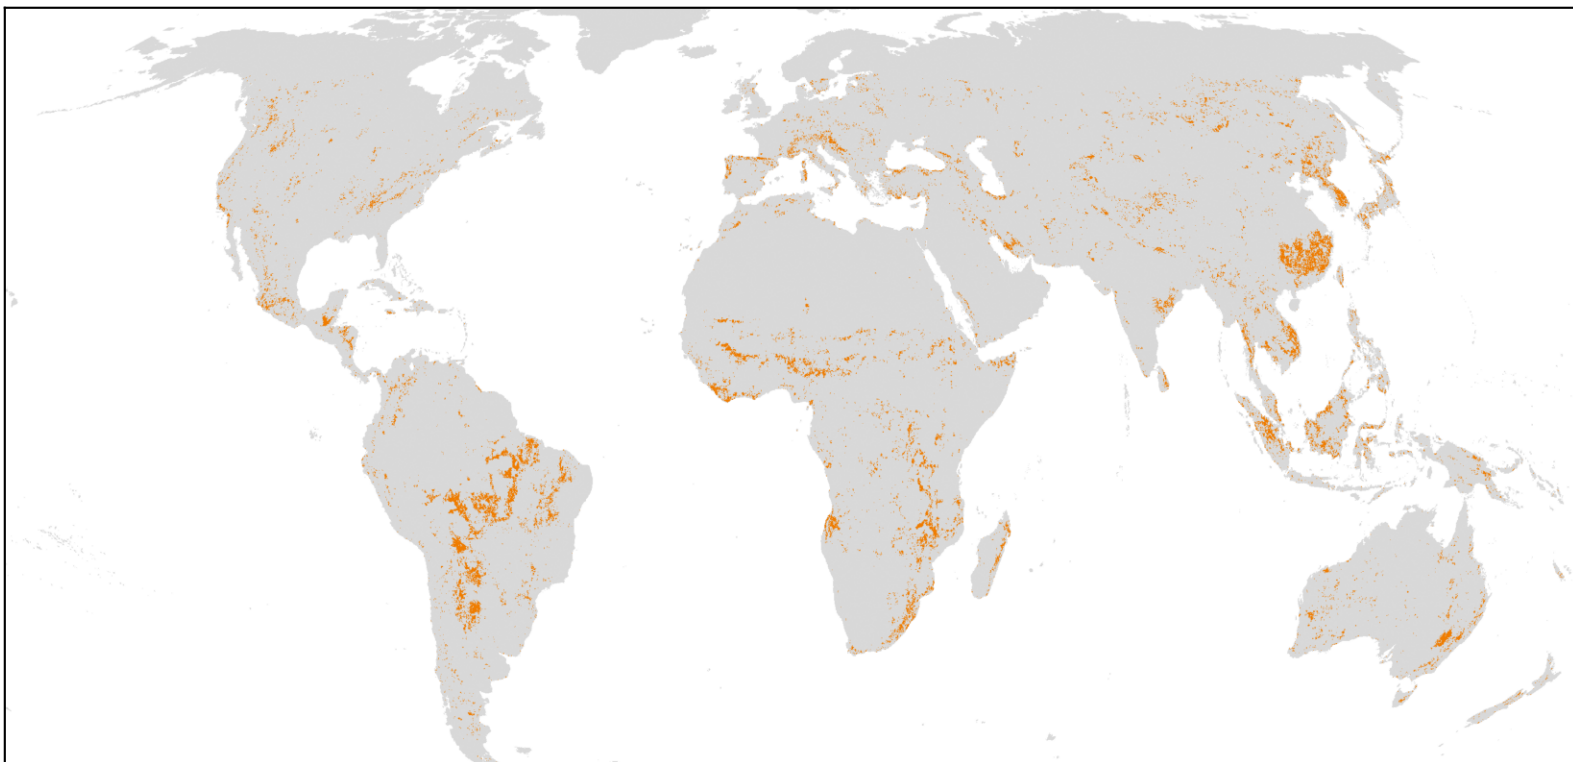

**Sediment Export — relative hotspots (top 5% most severe decline)**

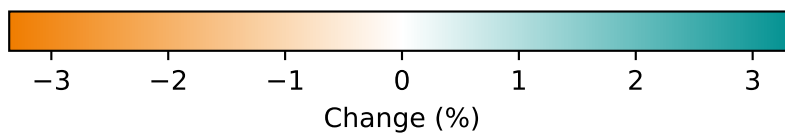

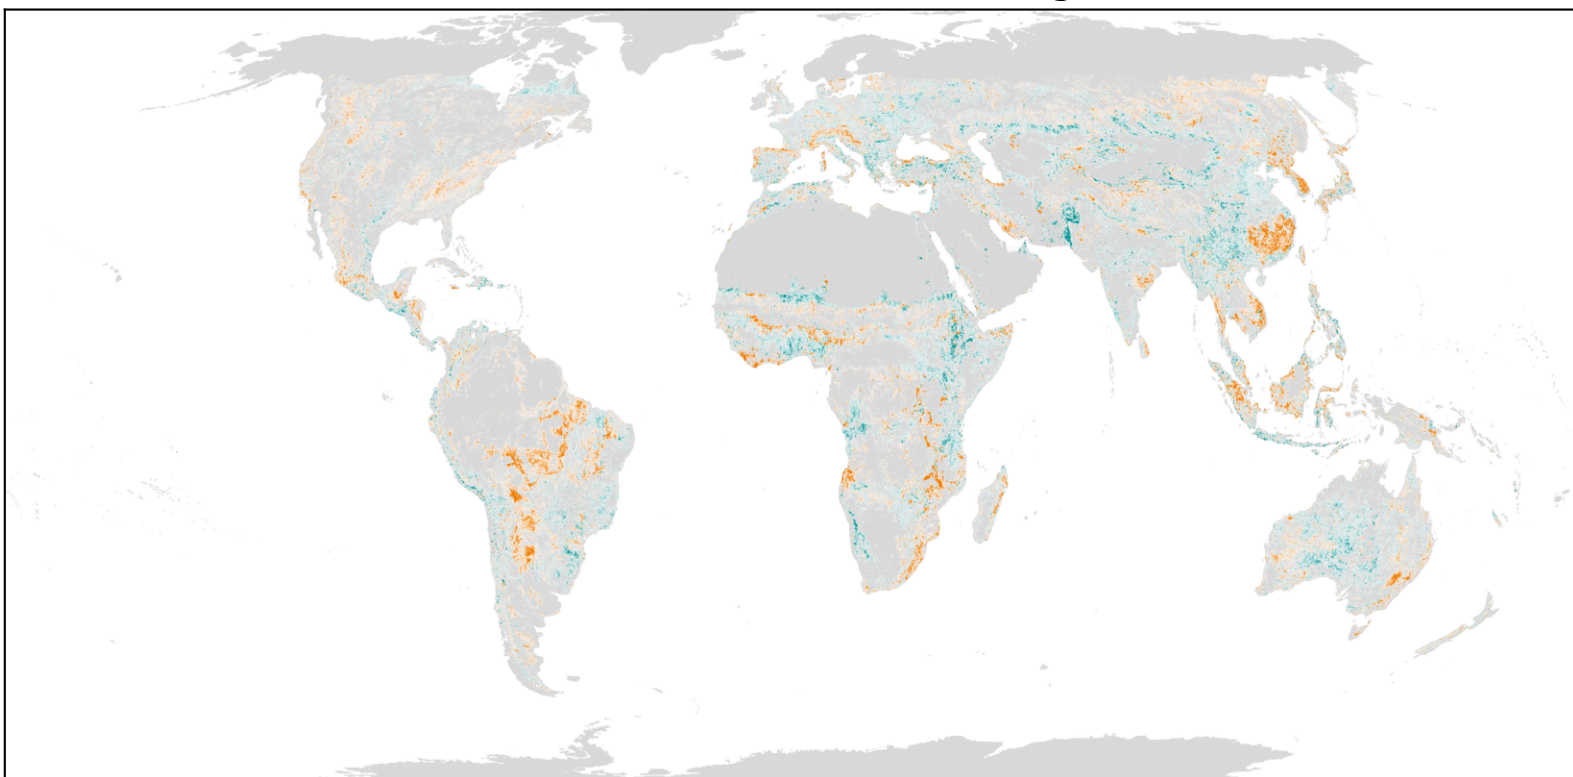

**Sediment Retention Ratio — absolute change (1992-2020)**

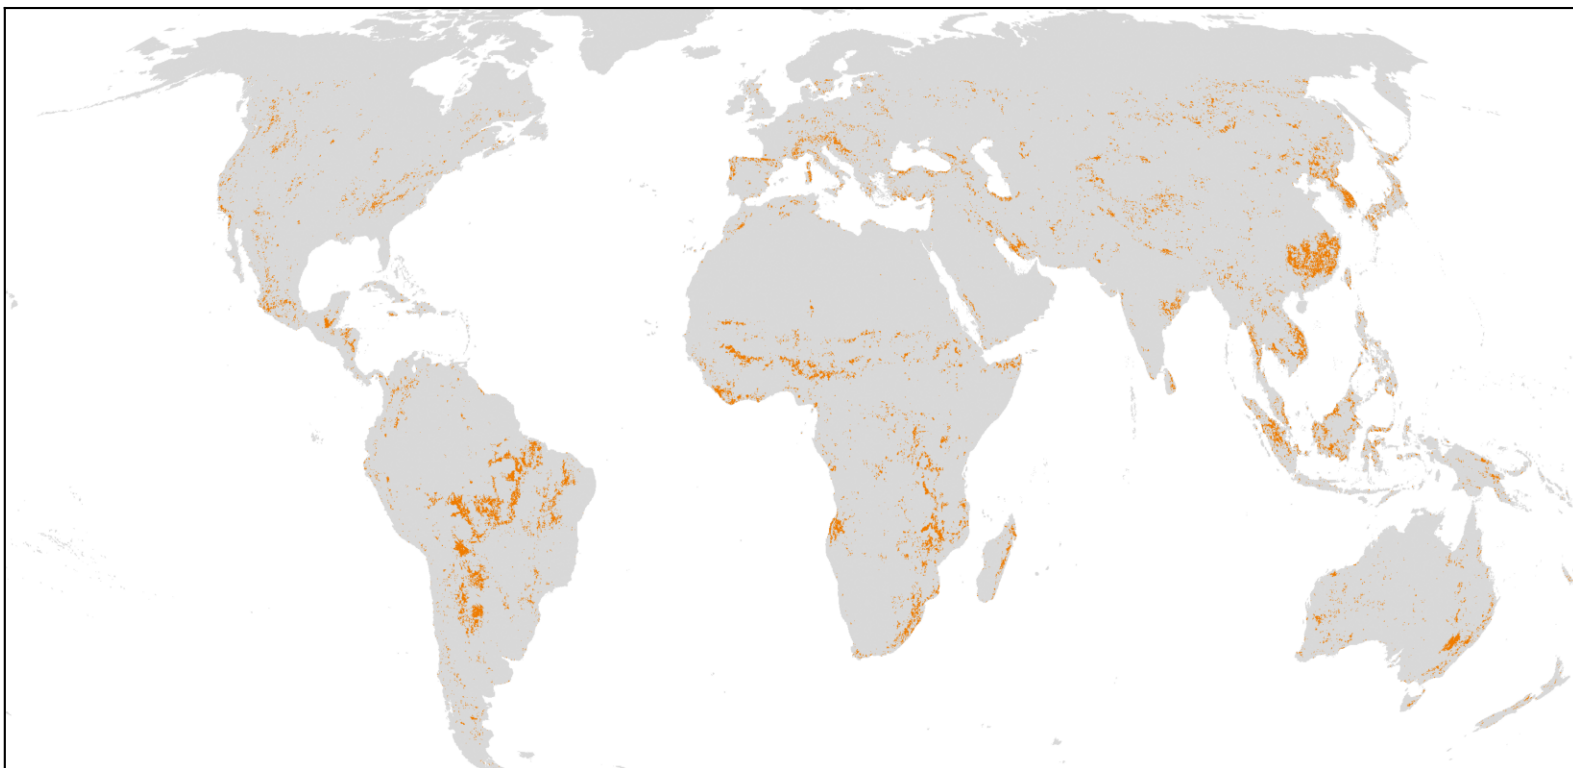

**Sediment Retention Ratio — absolute hotspots (top 5% most severe decline)**

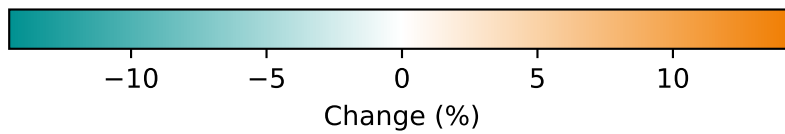

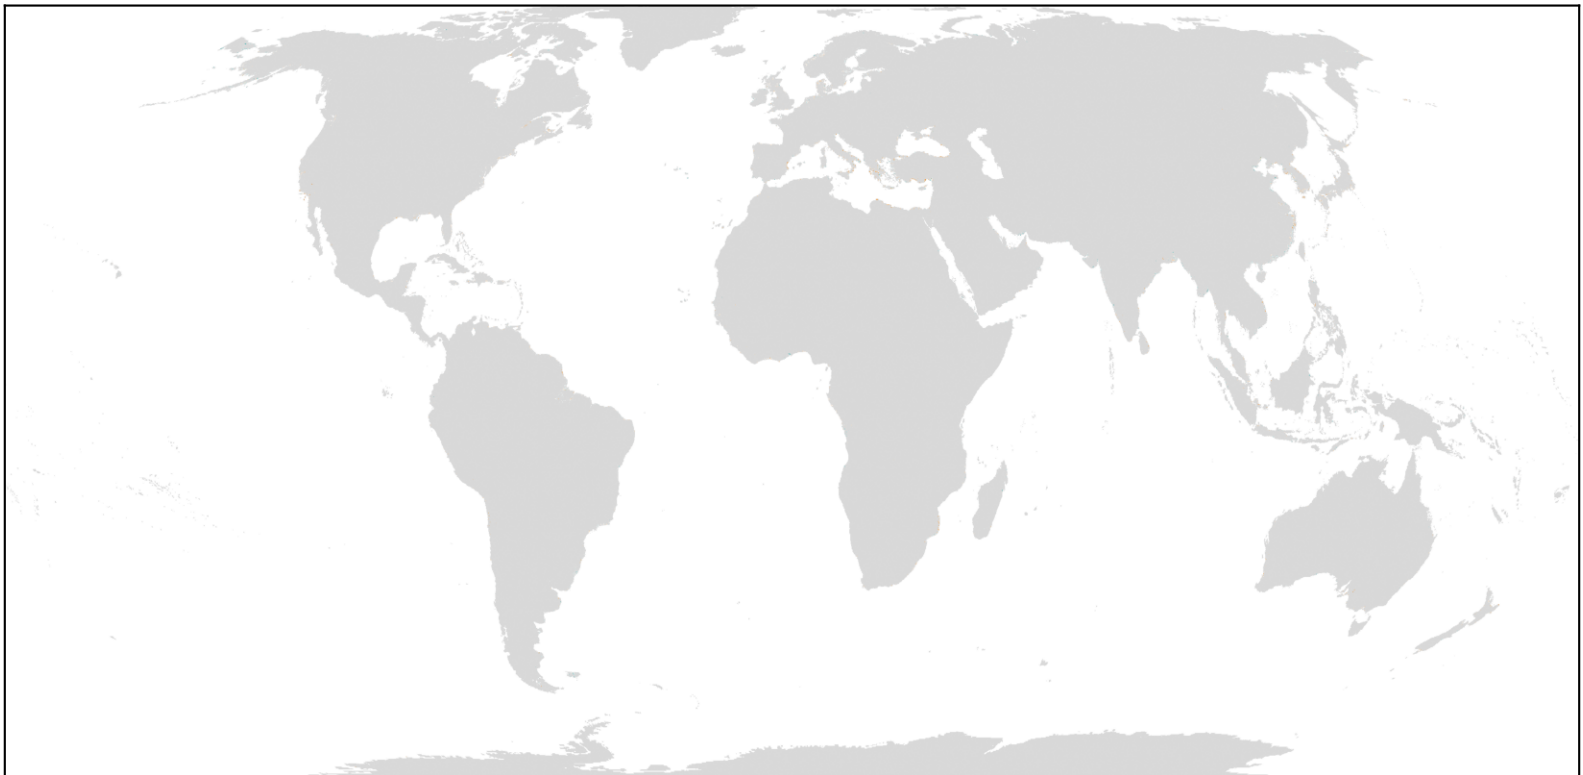

**Sediment Retention Ratio — relative change (1992-2020)**

**Sediment Retention Ratio — relative hotspots (top 5% most severe decline)**

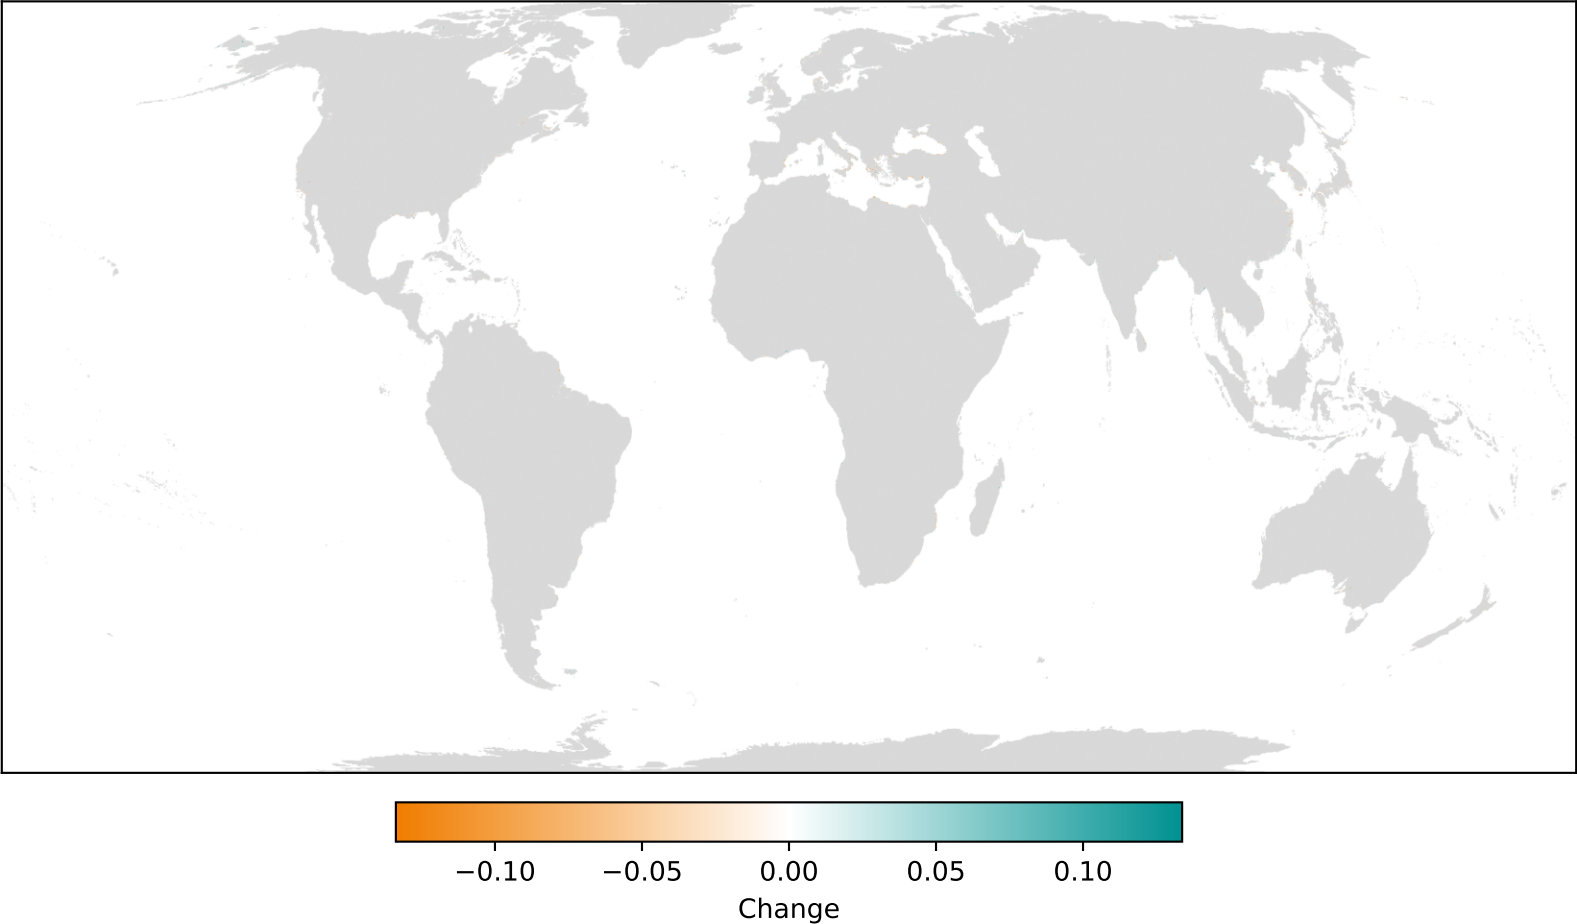

**Coastal Risk — relative change (1992-2020)**

**Coastal Risk — relative hotspots (top 5% most severe decline)**

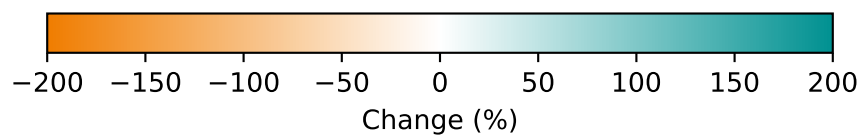

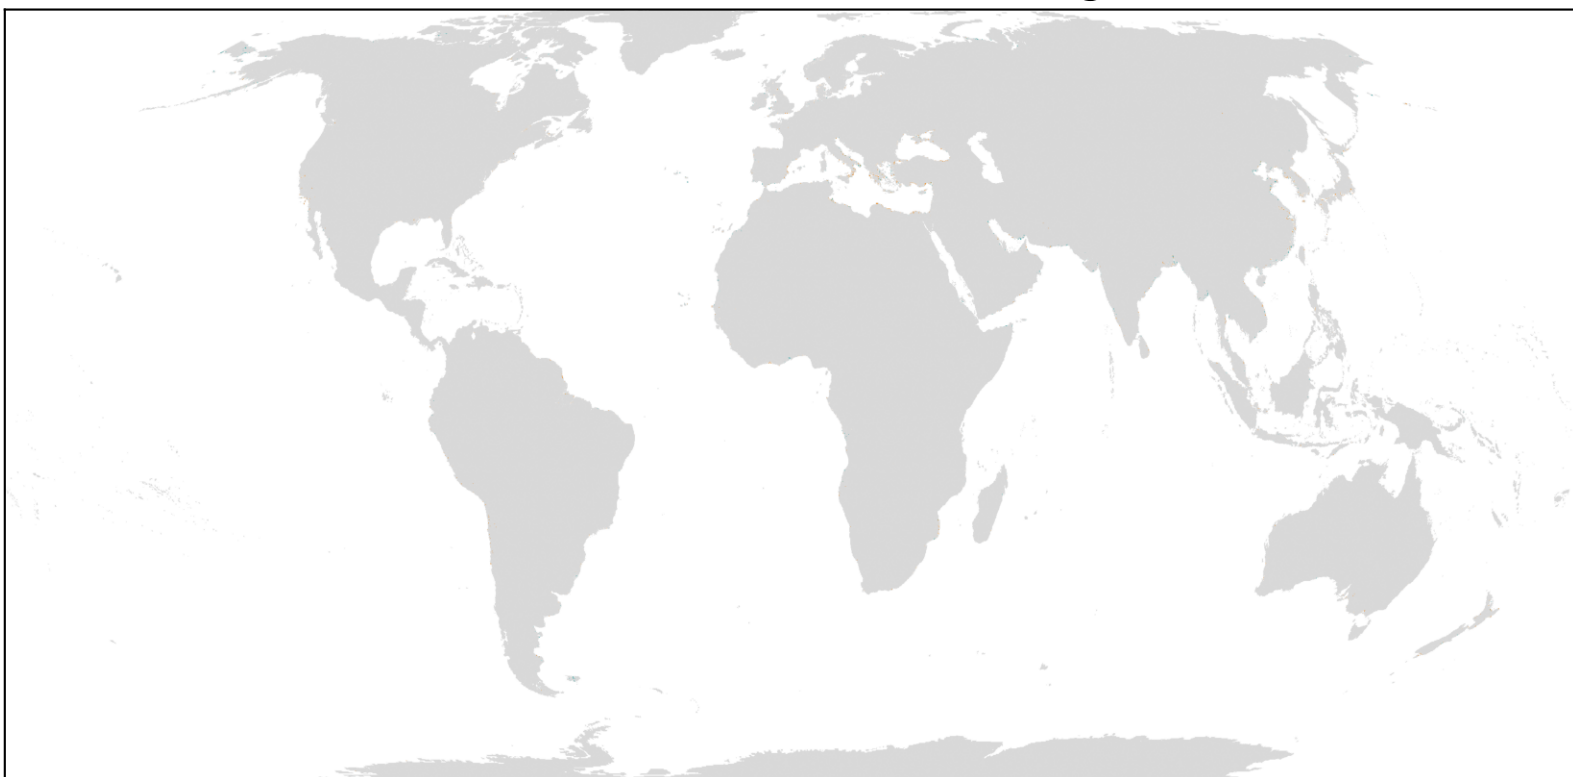

**Coastal Risk Reduction Ratio — absolute change (1992-2020)**

**Coastal Risk Reduction Ratio — absolute hotspots (top 5% most severe decline)**

**Coastal Risk Reduction Ratio — relative change (1992-2020)**

**Coastal Risk Reduction Ratio — relative hotspots (top 5% most severe decline)**
